

Alignment of Gee Whiz Education Curriculum with the South Carolina Infant and Toddler Guidelines

The Gee Whiz Education curriculum is a comprehensive approach designed to help educators address the unique needs of mixed-age groups. This document details specifically how the Gee Whiz Education Learning Indicators align with the developmental standards required in the state of South Carolina for children (infants & toddlers).

Additional information on the Gee Whiz Education approach to learning, including the program philosophy and the evidence/research on which the program is based, can be found on our website www.geewhizeducation.com as well as in the Gee Whiz Education User's Guide.

South Carolina Infant & Toddler Guidelines	Gee Whiz Education Learning Indicators
LANGUAGE AND COMMUNICATION DEVELOPMENT	
Comprehending Language Expressing Language Social Communication Early Literacy	LD1 Understands spoken language LD2 Understands and then uses an ever increasing vocabulary LD3 Uses language to express ideas, wants and needs LD4 Increasingly engages adults and other children in conversations LK1 Shows an interest in books and understands they are a way of sharing information LK2 Understands that language is made up of words, which can be broken down into syllables LK4 Understands concepts about print (e.g., reading from left to right, logos as symbols, etc.) LK5 Begins to use a variety of tools to use writing (invented or true) as a way to convey thoughts and ideas
