

Gee Whiz Training

FREE live & recorded webinars for family child care providers

Are you looking for training specific to family child care?

Do you want to be able to learn from home?

Are you familiar with Gee Whiz ... a curriculum designed specifically for family child care providers?

Welcome to Gee Whiz Education! Gee Whiz (www.geewhizeducation.com) is a company dedicated to family child care providers. Our curriculum is approved in many states and fully aligned with state/national ECE standards (see our website for details). Because Gee Whiz is digital, you just sign up, log in and download what you need ... saving time and money.

Next "live" Webinar:
