

Family Child Care Matters: Supporting Provider Growth

A Webinar for Quality Specialists/Mentors/Coaches

Family child care providers touch the lives of so many children and families.

They deserve free resources to support them and their professional growth.

Please plan to join Gee Whiz Education for our next webinar designed specifically for Quality Specialists, Trainers, Mentors and others that work directly with family child care providers. This is NOT a sales webinar or one that focuses only on our aligned/approved curriculum but instead a webinar designed to help you learn more about the many free resources Gee Whiz offers family child care providers.

Here are just a few of the areas our free resources address:

Parent Involvement & Family Engagement

The Learning Environment

Addressing 10 Key Developmental Areas

Anecdotal Notes & Individualization

Cultural & Linguistic Responsiveness

Adapting Experiences to Different Developmental Levels

Date: Thursday, March 25, 2021

Time: 1:30 - 2:30 PM EDT

Cost: \$0

Registration Link: <https://attendee.gotowebinar.com/register/1006208584270722317>

Certificates of Attendance will be available after attending the webinar.

This webinar is very popular so please register early!

Also, this webinar is designed for those who work with providers. Our next provider webinar will be held on April 6, 2021. Please see our website for details.
