*“I love what you are doing! You come up with great topics all the time.”*

# Easy-to-Follow Lesson Plans

All ages... one lesson plan. That's Gee Whiz!

Each month, you gain access to 2 complete teaching units. That's 20 days of activities at your fingertips! Each unit includes a comprehensive Teaching Guide. Included in each guide you will find:

*"It is so handy to have activities for each age group that all merge together with the same topic."*

# All Ages in One Lesson Plan

**You dreamt of a curriculum for your mixed-age group ... we created it!**

Working with a mixed-age group is challenging. There are so many different developmental levels to address. At Gee Whiz, we get it.

The hands-on experiences in our lesson plans include adaptations for different developmental levels. This allows you to do one activity in different ways for different children.

Want to see a sample lesson plan? Visit our website or [CLICK HERE](https://www.geewhizeducation.com).

*"Love you curriculum! I've shared it with many other providers."*

# Monthly Family Components

Keeping parents & guardians both informed and involved is so important!

Gee Whiz makes this goal easier to reach.

What types of materials does Gee Whiz include for parents/guardians?

- Family Letters
- Digital Family Notes
- "All about My Week" Reports

All of these components are available in both English & Spanish.

*"This is a great tool and investment for my program!"*

# Monthly Per Child Components

But what about the children?

What types of materials does Gee Whiz include for each child?

- **NEW! Let's Read Together!** - A short, printable book for each child. Simply print, cut, stack and staple. Each short story or rhyme reinforces the unit topic and contains open-ended question suggestions (2 per month/1 per unit... available in English & Spanish)
- Make It! Sheets (4 per month/2 per unit)
- Individualization Web (1 per unit)

*"I love the fact that I can download the materials."*

# Assessment

Formal child assessments.  
Environmental assessments.  
Developmental screenings.  
Oh, my!

At Gee Whiz, we work hard to incorporate tools into the curriculum that make assessment easier and more efficient.

What types of assessment tools are included with Gee Whiz?

We have an entire section on our website dedicated to discussing how we approach assessment. From our comprehensive section in our User's Guide related to Individualization and Anecdotal Notes to the "Connecting the Dots" component included in each unit, our goal is to give you the tools you need to make assessment less stressful and more efficient. Please take a few minutes to check out the section on our website dedicated to assessment. [LEARN MORE](https://www.geewhizeducation.com)

# Important Details

## 3 Important Things to Know about Gee Whiz

### **1) Gee Whiz is completely digital.**

WHAT THIS MEANS TO YOU: All of the materials, from the Teaching Guides to the story props, are files you will download and save from our website. We will not ship any printed materials to you. Many files do not need to be printed and can simply be viewed on your computer or tablet if you prefer.

### **2) Gee Whiz is a subscription that continues until you cancel.**

WHAT THIS MEANS TO YOU: When you subscribe to Gee Whiz, you will continue to be charged based on the option you pick (monthly, quarterly or yearly) until you cancel. You can do this in the Member Portal with a click or a button or you can reach out to use at [customerservice@geewhizeducation.com](mailto:customerservice@geewhizeducation.com) if you need help.

### **3) Units are posted on the 20th of the month prior and removed after 45 days.**

WHAT THIS MEANS TO YOU: We post 2 units each month prior to the month beginning. For instance, September units would be posted on August 20th. Then, after 45 days, we remove the units. That means that September units would be removed on October 5th. You will want to download, save AND back-up all files when they are posted. We cannot email files if your forget due to their large size. Sorry!
