

# Gee Whiz Education ...

Approved in North Carolina & LOVED ❤️ by providers

At Gee Whiz, we believe curriculum should...

- **Be easy-to-use & intentional**
- **Include activities for ALL ages**
- **Not cost a fortune**
- **Offer training via webinars (live & recorded) at no charge**

## What is Gee Whiz?

Gee Whiz is a hands-on curriculum that promotes learning through exploration. Unlike print-based options (that are often quite expensive and charge a lot for S&H), Gee Whiz is a digital subscription-based product. To access the curriculum, you simply log in on the website and then you can choose whether to print the materials for each unit OR just view them on your computer or tablet. That's why providers LOVE Gee Whiz! It is comprehensive and flexible.
