Ask your child these questions after sharing the story (if he/she is verbal). These are open-ended questions so in most cases, there is not a "right" or "wrong" answer.

What do you see when you look up in the sky during the day?

What do you see when you look up in the sky at night?

How are the things you see in the sky during the day the same as the things you see at night? How are they different?
