# The Wind

staple

The wind blows your hair;  
Whoosh...whoosh...whoosh.

The wind blows the flag back and forth;  
Back and forth.

The wind feels cool on your face;  
Brrr...brrr...brrr.

**Some people use the wind to dry their clothes;  
Dry...dry...dry.**

**Kites fly best on a windy day;  
Fly...fly...fly.**

**Oh, how much fun  
you can have on  
a windy day!**

**Ask your child these questions after sharing the story (if he/she is verbal). These are open-ended questions so in most cases, there is not a "right" or "wrong" answer.**

***What do you like about windy days? What don't you like?***

***Do you think the wind could ever be strong enough to pick you up off the ground? Why do you think that?***

***How can you tell it is a windy day if you are not outside?***
