

# Your child will learn so much!

Do you like to see your child learning new things every day? Does your child learn better with activities that are hands-on? Then your child will love Gee Whiz!

With Gee Whiz, your child will be learning new things through exploration and play every day. Plus, all areas of your child's development will be addressed, too. Gee Whiz believes in teaching the "whole child."

AND ... you will receive materials designed just for you. After all, you ARE your child's first teacher and your involvement is VERY important.

## Ready for school... and life!

Curiosity. Problem-solving. Persistence. These are all skills that will help your child achieve success in school ... and life. They are also all skills taught in the Gee Whiz curriculum.

In fact, Gee Whiz helps your child develop 40 key skills in these critical areas:

Math	Science	Literacy
Language	Physical	Social/Emotional
Creative Arts	Social Studies	Logic/Reasoning
